- Children's Home + Aid (Bloomington) – 2
- Family Focus (Chicago)- 7
- Healthy Families Chicago (Chicago)- 3
- Easter Seals (Rockford)- 3

2- Awaiting transfer (open but moved to another pilot site)

9- Closed out of services

#### 5- Currently in outreach

- Family Focus (Englewood) – 3
- Advocate Illinois Masonic – 1
- Healthy Families Chicago- 1

6-Declined

14– became ineligible

- 7- child aged out of eligibility since being referred
- 4-passive refusal
- 1-site over capacity- referred to CI
- 2-moved out to catchment area

## **24- Families identified (other)**

3- Currently getting other PPT services but possible pilot family later

1- TPSN attempting to contact to discuss pilot (identified last week)

20 – became ineligible

- 6- declined HFI outreach
- 1-child removed before outreach
- 8-family moved/outside of pilot area
- 2-aged out before communication
- 3-not parenting

#### CURRENT TREND:

There has been a higher rate of case transfer's over the last few months:

- 3- youth have already moved and opened successfully at new agency
- 1 - HFI site is working on outreach to open family but has been working with last agency (with consent)
- 1- youth declined new HV program
- 1- youth pilot team is looking for HFI agency placement (youth is highly transient and not currently parenting)
